Buy Clocks from Geo. Porth.

The fruit prospect for this year excellent. The peaches and other fruits are beyond danger of frosts.

In the capital removal fight, Jefferson City has many staunch, true, and tried friends who are fighting her battles throughout the state.

A large number of newspapers in Missouri are giving Jefferson City notices of her bridge celebration. This is all highly appreciated by our people.

Mr. A. P. Grimshaw superintendent of the bridge is kept very busy looking after the affairs of the company. He will soon have it in good shape however when promptness and efficient services can always be relied upon.

The Sedalia Capital of last Sunday hops on to the Jefferson City Tribune for slandering and libeling the Commonwealth Land and Development Co. of Sedalia, and in the very same article says more things of the Tribune man than the latter ever published about his rival. It was inconsistency of the grossest sort, and the Capital's manner of argument shows that it is getting desperate.—Vienna Gazette.

Marvelous Results.

From a letter by Rev. J. Gunderman, of Dimondale, Mich.: "We are permitted to make this extract: 'I have no hesitation in recommending Dr. King's New Discovery as the results were almost marvelous in the case of my wife. While brought down with Pneumonia succeeded La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results.' Trial bottles free at A. Brandenberger's Drug store. Regular size 50c. and \$1.00.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a Severe Kidney trouble for many years, with severe pains in his back and also that his bladder was affected.
